## F. SCOTT FITZGERALD'S *THE CAMEL'S BACK*

F. Scott Fitzgerald wrote of this story: "I suppose that of all the stories I have ever written this one cost me the least travail and perhaps gave me the most amusement. As to the labor involved, it was written during one day in the city of New Orleans, with the express purpose of buying a platinum and diamond wrist watch which cost six hundred dollars. I began it at seven in the morning and finished it at two o'clock the same night. My amusement was derived from the fact that the camel part of the story is literally true; in fact, I have a standing engagement with the gentleman involved to attend the next fancy-dress party to which we are mutually invited, attired as the latter part of the camel--this as a sort of atonement for being his historian."

The Erstwhilists' artistic director, J Roth, is teaming up with Harmony Theatre to produce a show this December 23<sup>rd</sup> in Minnetonka.
